

Visitor Policy

Wise Owls Nursery School happily welcomes visitors. However, at times limitations may be placed to protect the children and staff and also to avoid any unnecessary disruption. We advise visitors to book in advance to ensure a suitable member of staff is available to accommodate the visit. Only the nursery Directors have the authority to determine which visits are to be permitted.

Visitors and Covid

Wise Owls is happy to invite professionals back into the building provided that they follow the Covid regulations/ Systems of control in place. This means hand sanitising on entry. Please do not come to Wise Owls if you have a new cough, temperature or loss of taste and smell or if you are feeling unwell at all.

Right to refuse entry.

Wise Owls Nursery School reserves the right to refuse entry to any person, if there is reasonable doubt of their identity. In instances where parents are separated, both custodial and non-custodial parents have the right to visit the nursery, unless a court order is placed restricting such contact or accessibility.

Visitors must be accompanied by a member of staff at all times whilst within the nursery. A member of senior management must advise the visitor of all fire exits and explain there are no planned fire drills for that day.
